

There is no way to install the Page Approval license?

Add-on:	Page Approval
Question:	There is no way to install the Page Approval license?
Answer:	<p>Please check that the add-on has been installed successfully and enabled.</p> <p>Then refresh the Confluence Administration page.</p> <p>If you still cannot see the ServiceRock et Plugin menu (so you can install the license), try appending the URL below after your Confluence web address:</p> <pre>/admin /plugins /pageapproval/license.action</pre> <p>For example:</p> <pre>https://docs .servicerock et.com/admin /plugins /pageapproval/license.action</pre> <p>Access the link and you should now be able to install the license.</p> <p>If this still does not work, try restarting your Confluence instance.</p>
