This report allows you to view all the tasks that are due within the next month. It's easy to review what needs to be done on each page and when they are due. We have also included some handy 'days left' values (thank you, [report-eval](#) macro!) next to the task due dates.

## Source for this recipe

Column	Details
Page Title	The name of a page.
Require approval by	Name of the person assigned to approval.
Pending Tasks	List form of all the Tasks on a page and other relevant information.
Last modified	Date the page was last modified on. This date is associated with the Confluence page and not the Workflow.
